

Talent: Mario Batali

Show: *Iron Chef America*

Description: Give him a secret ingredient or a shoe and Mario is sure to create a masterpiece. Using leaves and ripened grapes blended with wine labels from his very own vintage, Batali's shoe evokes the luscious aromas and textures of his Italian heritage.

Mario Batali

Talent: Alton Brown

Shows: *Good Eats*, *Iron Chef America*

Description: Mixing art, food, and science is perhaps Alton Brown's reason for living. Using spices from his own kitchen to embellish this elegant shoe, Alton explores peppercorn and dill, mates cinnamon with salt, and then finishes the equation with a chili pepper garnish.

Alton Brown

Talent: Warren Brown

Show: *Sugar Rush*

Description: This former lawyer turned baker is stepping out with a shoe that's good enough to eat. Warren's shoe creation pairs frosting with mini-chips, forming the most delicious design on the highest-calorie heel in town. As the host of a show that seeks out the best desserts in the country, this should come as no sweet surprise.

Warren Brown

Talent: Michael Chiarello

Show: *Easy Entertaining with Michael Chiarello*

Description: An organic approach to fashion, Michael's design starts where his cooking does—with the freshest ingredients. Utilizing the colors, textures, and California feel of *Easy Entertaining*, Michael's shoe embodies the inviting, laid-back spirit of his parties.

Michael Chiarello

Talent: Cat Cora

Show: *Iron Chef America*

Description: Even the toughest Iron Chef has a soft side, as proven by Cat Cora's fun and fuzzy submission. Diamonds and fur are indeed this girl's best friend in a design as playful and warm as this southerner's culinary creations.

Cat Cora

Talent: Paula Deen

Show: *Paula's Home Cooking*

Description: A lot of heart and a touch of love go into everything Paula Deen creates and this show is no exception. The dramatic pattern of tomato vines is as impactful as her laugh, evoking all the southern charm she wears like a comfy apron.

Paula Deen

Talent: Giada De Laurentiis

Shows: *Behind the Bash, Everyday Italian*

Description: Reflecting her experience behind the scenes at elegant parties and chic Hollywood celebrations, Giada's shoe is glamorous and charming—but also relevant. The elegant blend of gold and pink combined with the breast cancer ribbons tie together all that is Giada—sweetness, elegance, caring, and strength.

Giada De Laurentiis

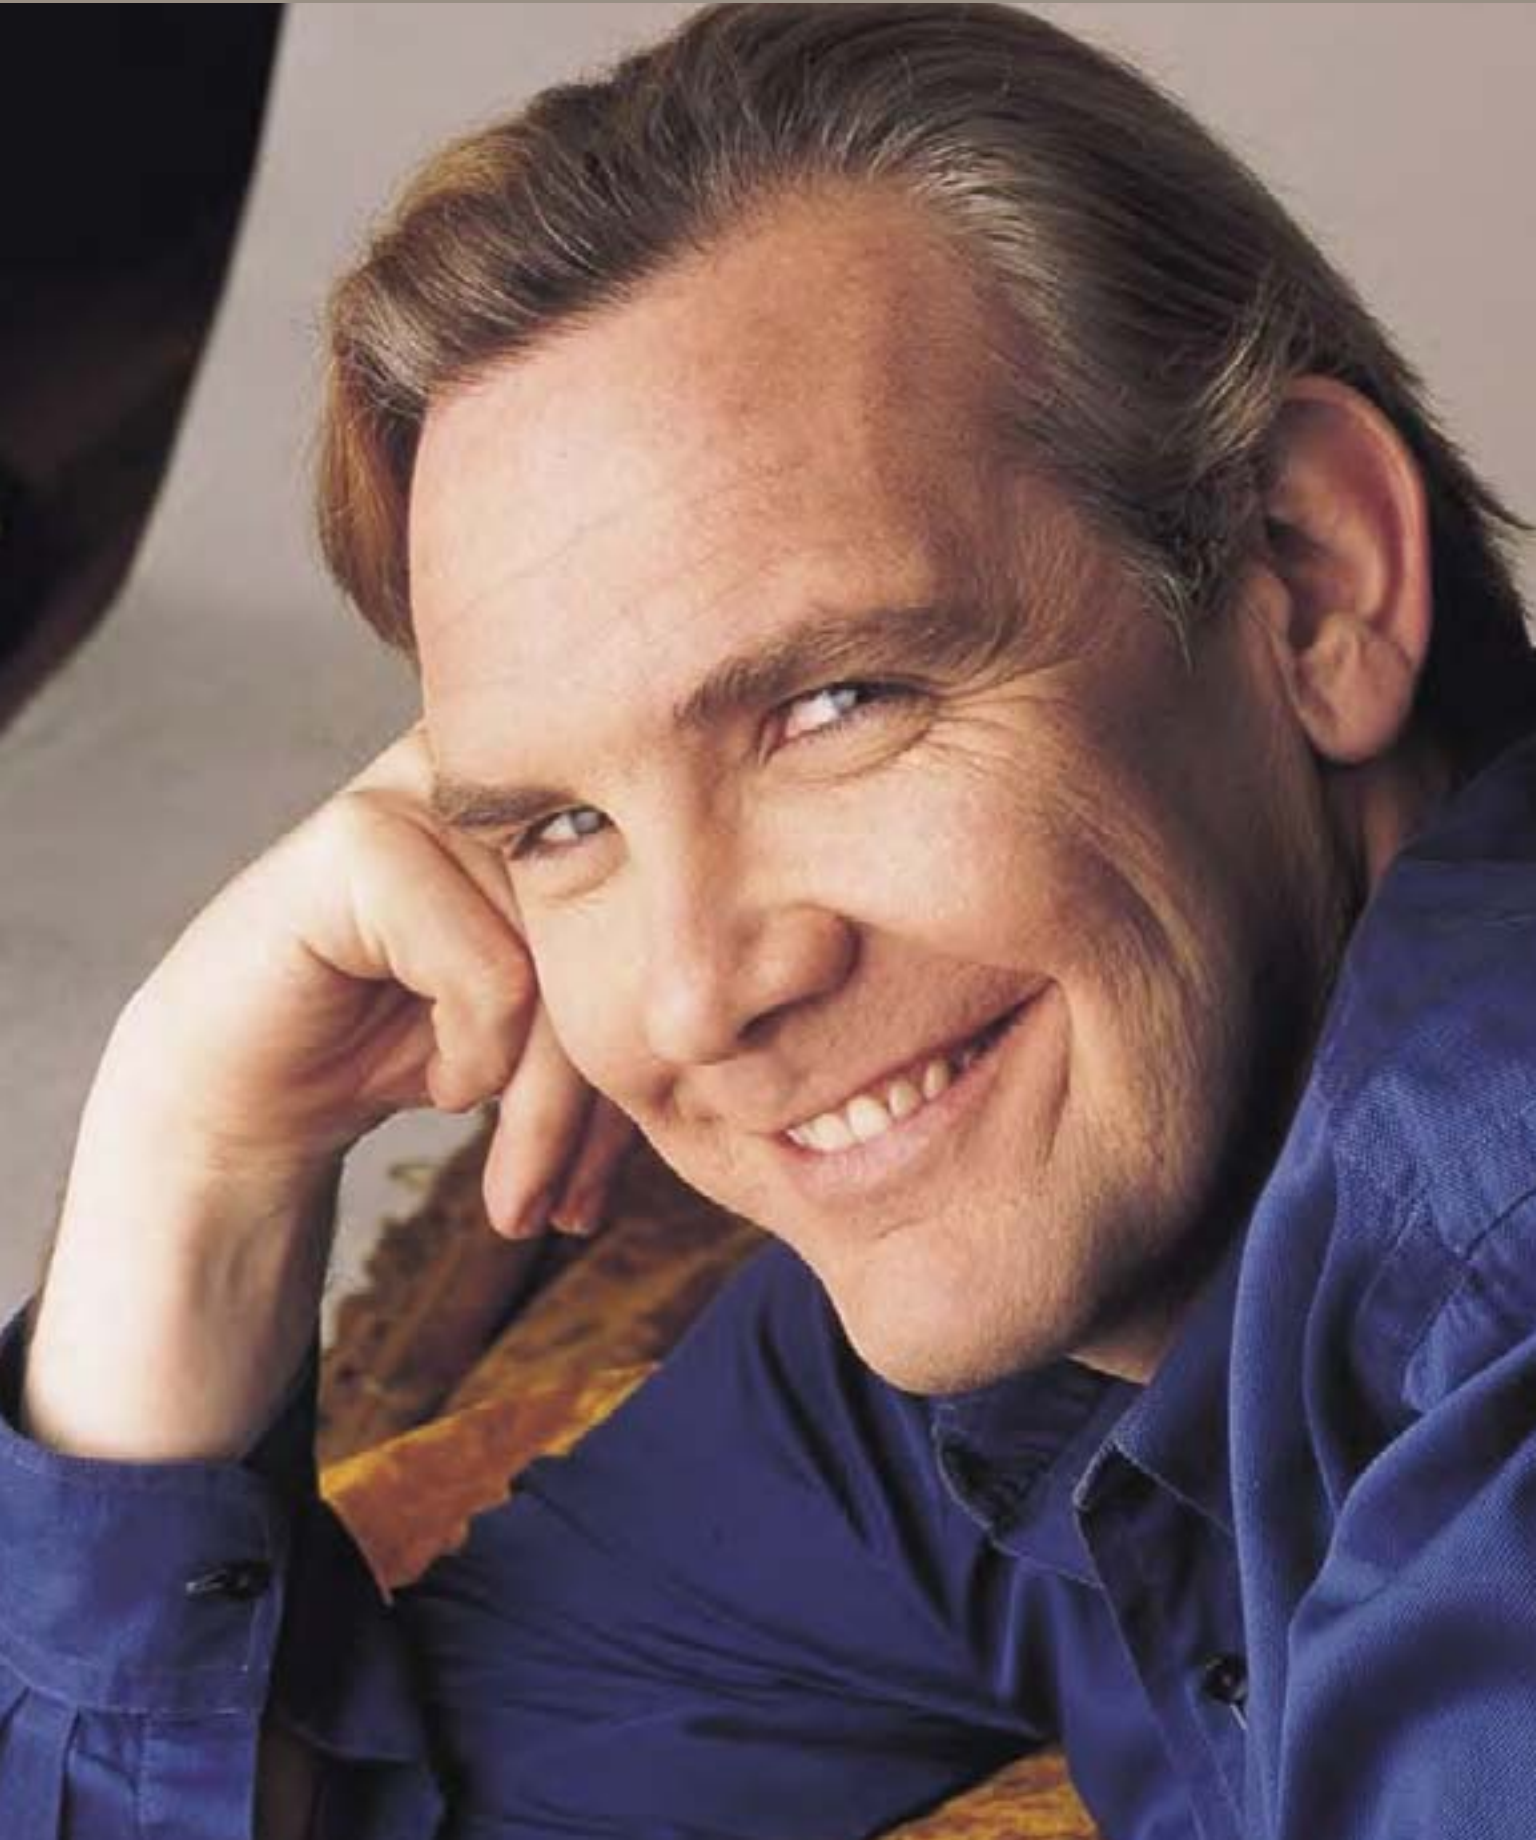

Talent: Gordon Elliott

Show: *The Next Food Network Star*

Description: Fun, glitzy and patriotic, Gordon's design is more than just a shoe. Its exciting inspiration serves to bring back lively memories of the 4th of July.

Gordon Elliott

Talent: Bobby Flay

Shows: *Iron Chef America*, *BBQ with Bobby Flay*, *Boy Meets Grill*

Description: Master of grilling Bobby Flay steps out with what is perhaps the perfect shoe for walking on hot coals. Bringing his *Boy Meets Grill* flair to the design, Bobby's shoe takes the essentials of a great summer cookout and combines them in a way only he can.

Bobby Flay

Talent: Emeril Lagasse

Show: *Emeril Live, The Essence of Emeril*

Description: The fresh ingredients used to create Emeril's shoe recall the flavor of his beloved New Orleans, where "kicking it up a notch" means adding some spice to your food—and your life. And what would an Emeril shoe be without a little "BAM!"—for some kick.

Emeril Lagasse

Talent: Sandra Lee

Show: *Semi-Homemade Cooking with Sandra Lee*

Description: Using her quick and creative style, the host of *Semi-Homemade* turns an everyday item into an image of elegant beauty. Using a traditional pink-flowered dinner plate as her main ingredient, Sandra transforms this Stuart Weitzman shoe into a chic mosaic creation.

Sandra Lee

Talent: Dave Lieberman

Show: *Good Deal with Dave Lieberman*

Description: Keeping in line with his young and unexpected approach, Dave's shoe is literally dyed with beet juice from his own kitchen. His creation reminds us that the best things in life, like his cooking, are simple — and easy.

Dave Lieberman

Talent: Rachael Ray

Show: *Tasty Travels, 30 Minute Meals*

Description: In true Rachael Ray fashion, her shoe design showcases the ingredients from a delicious Italian recipe she picked up on a tasty travel adventure, "You Won't Be Single For Long Vodka Cream Pasta". The cooking timer surely tells you this is the *30 Minute Meals* girl who changed the way America looks at dinner.

Rachael Ray

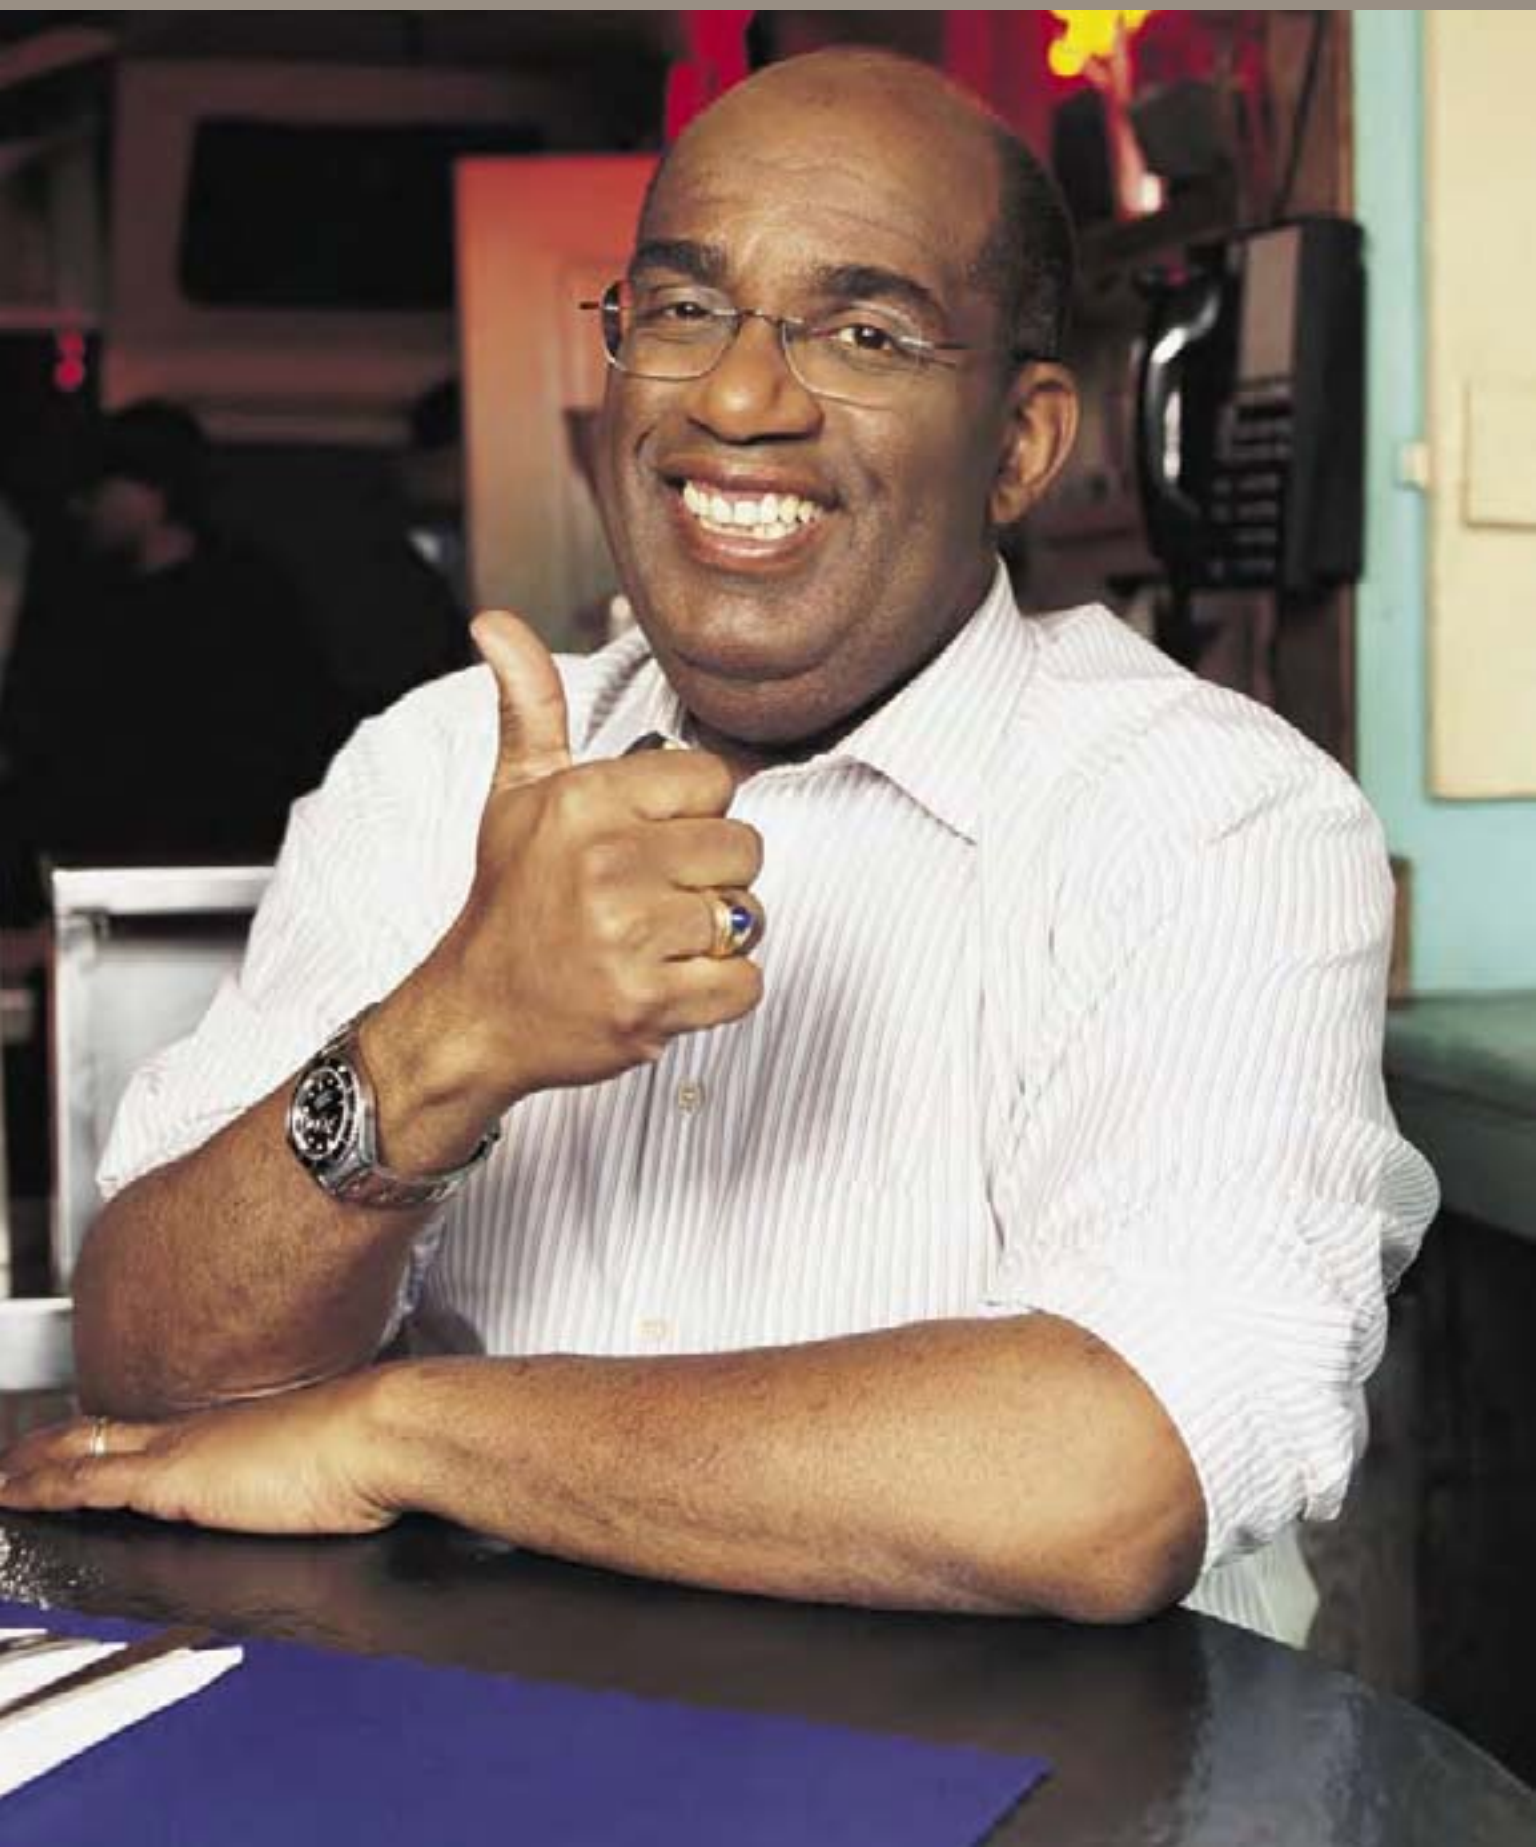

Talent: Al Roker

Show: *Roker on the Road*

Description: As with all good trips and travels, inspiration and discovery are only one turn away. Roker's on the move again, searching for food adventures with his whimsical shoe.

Al Roker

Talent: Marc Summers

Show: *The Next Food Network Star, Unwrapped*

Description: This time Marc Summers is unwrapping the candy bar with this yummy shoe. The wrappers are real, the chocolate is imitation (sorry), but both the design and Marc's show create real cravings for the stories behind our food favorites.

Marc Summers

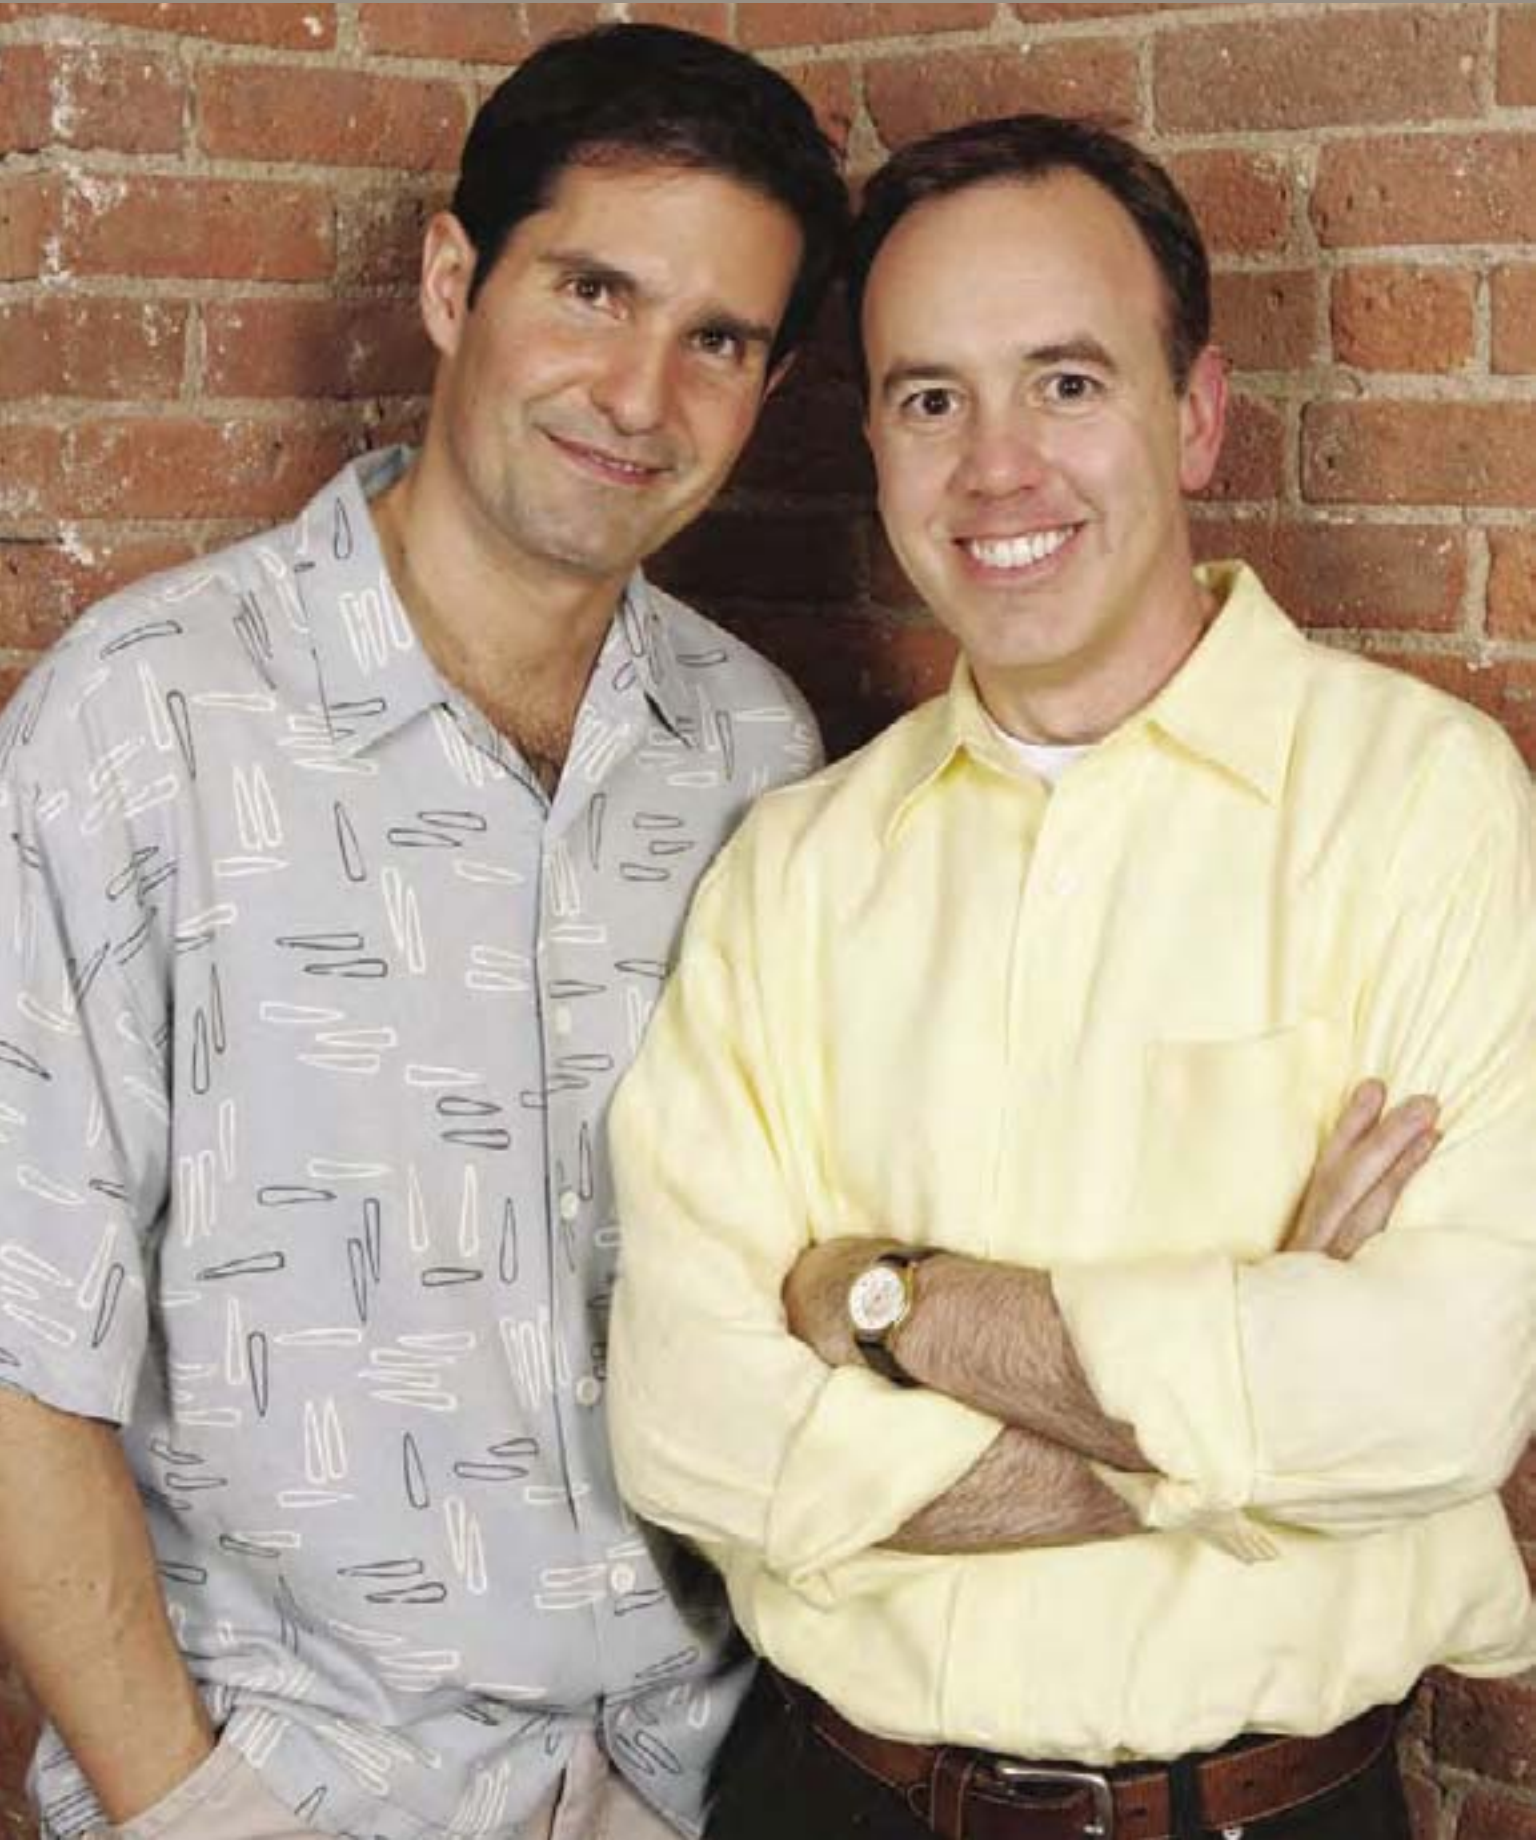

Talent: Dan Smith & Steve McDonagh

Show: *Winners of The Next Food Network Star, Party Line with Dan and Steve*

Description: The winners of Food Network's first reality competition, *The Next Food Network Star*, are still riding high from their recent victory. Former caterers whose jokes are as good as their recipes, Dan and Steve's shoe use sparkles, spray glue, and spectacles and to mark their shoe — and their recent success.

Dan Smith & Steve McDonagh

Talent: Robin Miller

Show: *Quick Fix Meals with Robin Miller*

Description: Inspired by her new Food Network show, *Quick Fix Meals*, Robin Miller's shoe is truly in good taste. Using a kitchen timer, beading and a flame motif, the shoe ignites the same spark Robin has with her viewers as she demonstrates how to easily plan delicious weeknight meals.

Robin Miller

Talent: Food Network Kitchens

Experience: • 11,000 cooking shows • Slicing and dicing on 6 continents
• 30,000 recipes derived from 50 world cuisines originating in 27 countries
• More than 200 holidays celebrated

Description: This beautiful confection is made of sugar crystals, with a lining of delicate edible silver pearls and a flowery frosting garnish. The refinement of the design is a testament to the creative forces behind Food Network Kitchens.
